OUTDOOR

# arch. salvage

Borrowing its elegant details from the best in traditional European architecture, ARCH. SALVAGE OUTDOOR brings visual texture to outside living spaces. With the grace and stately presence of the indoor ARCH. SALVAGE collection, ARCH. SALVAGE OUTDOOR is engineered for year-round exposure to the elements: materials include cast aluminum; all-weather wicker; Sunbrella fabric; and durable Art Stone, manufactured of crushed stone and composites and hand painted for added depth and interest. The versatile collection encompasses deep upholstered seating; stationary and swivel dining chairs; dining and occasional tables; and even a fire pit.
