A beautifully curated interpretation of mid-century modern design, the clean and colorful EPICENTERS OUTDOOR | DARROW is a logical—and practical—extension of the vintage-inspired EPICENTERS | DARROW collection. The balcony-scaled seating and dining pieces are constructed of cast aluminum in six different finishes, sustainable reclaimed teak, an all-weather wood with a unique texture and patina, and are upholstered in Sunbrella. The collection includes dining and occasional tables, lounge chair, settee, rocker and dining chairs.
