OUTDOOR

epicenters | brentwood

Equally at home on an urban rooftop terrace or at a house by the beach, the EPICENTERS OUTDOOR | BRENTWOOD collection brings together sophisticated modern silhouettes and a rich, earthy finish. Inspired by the cutting-edge designs of the country's liveliest city centers, EPICENTERS | BRENTWOOD has a breezy geometry that translates well from indoors to out. The new outdoor collection is constructed of hand-finished aluminum; a trifold all-weather woven in a unique chevron pattern; and Sunbrella fabric. The collection includes dining and occasional tables; deep upholstered seating; and table-height and counter-height chairs. Chair choices include both stationary and swivel bases.
